## **TextMyGov Announcement**

The Village of Harriman is thrilled to introduce TextMyGov, a convenient and smart text messaging service! This service will enable residents to effortlessly receive important notifications.

The Village of Harriman will officially launch the new text messaging system to the public on July 1, 2025. Residents may receive a text message from **91896** from the Village of Harriman initiating the service. You can choose to opt-out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword:

**"HARRIMAN ALERTS"** to the number **91896**. After sending the initial keyword, you will be asked to reply **"YES"** to confirm opt-in. Residents may receive notifications for **Events, Road Closures**, etc.

**"HARRIMANWATERALERTS"** to the number **91896**. After sending the initial keyword, you will be asked to reply **"YES"** to confirm opt-in. Residents may receive notifications for **Billing, Water Main Breaks**, etc.

The Villages use of this technology is another example of how our community enhances resident services by implementing 21<sup>st</sup>-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important village notifications.

Sincerely,

Wayne Mitchell  
Village Mayor
